

README

For **compiling** the code, use the command :

```
gcc matmul.c -o matmul -lpthread
```

For **running** the file, use the command :

For interactive -

```
./matmul --ar 3 --ac 3 --br 3 --bc 3 --interactive
```

For non - interactive -

```
./matmul --ar 3 --ac 3 --br 3 --bc 3
```

I'm submitting 3 files:

1. Report - report.pdf
2. Readme - readme.pdf
3. Code - matmul.c
